

TE AWAMUTU COLLEGE

Creating Learning Success for Every Student

20 June 2011

TO PARENTS AND CAREGIVERS

Your son/daughter has bought a ticket to our school ball, "Morocco" (9 July) and that is wonderful because the organisers have put a huge amount of time and effort into planning a superb occasion.

There are two points I need you to be aware of:

1. The school has responsibility for students from the beginning of the ball, until the end. The school is not organising nor does it have any responsibility for after-ball parties. Please make sure you know where your son/daughter is going after the ball, who she/he is with, and what time she/he will be home.
2. Any student who arrives at the ball under the influence of alcohol or drugs will be refused entry. You will be rung and asked to come and collect your student.

In the light of recent events surrounding school balls, I ask you to be well aware of any pre-Ball gatherings your son/daughter may be attending.

We are looking forward to the ball. No doubt you would like to see the students dressed up. The Ball committee has asked me to let you know that you are welcome to come to the Ball Venue (Don Rowlands Centre, Lake Karapiro) from 7.00-7.30pm and watch the students as they arrive.

Good luck with buying dresses, making dresses, hiring suits, organising make-up, booking hairdressers, etc.

Please contact me if you need to.

Yours sincerely

Tony Membery
Principal
